

# To Save the Gorillas - 'Answer the Call'

## Mobile Phone Recycling Program

### Guidelines for Corporate Donations

Thank you for choosing to help Save the Gorillas by supporting the **Answer the Call** mobile phone recycling campaign. By recycling your mobile phones, you are helping to protect these magnificent animals in their natural habitat.

To make a donation on behalf of your corporation or organisation, please follow these four easy steps!

#### Step 1.

##### Register your organisation's support.

Download the registration form from <http://www.australiazoo.com.au/answerthecall>. Once you have filled in the form, please fax it to (07) 5494 8604 or email it to [answerthecall@australiazoo.com.au](mailto:answerthecall@australiazoo.com.au). Registering your support helps ARP and Australia Zoo account for and acknowledge your donation.

#### Step 2.

##### Collect phones.

Raise awareness of the link between Gorillas and mobile phones and encourage your colleagues, friends and family to make a difference too! Identify a central drop-off point for the phones and make this drop-off point easily accessible. Circulate the directions to this drop-off location. You can collect phones in a box or container of your own. Alternatively you can contact ARP and ask that they send out an official collection box - contact ARP on (03) 9576 9340 or e-mail on [info@arp.net.au](mailto:info@arp.net.au).

#### Step 3.

##### Package phones.

Once you have collected your phones please pack them in a box and clearly address the box to Aussie Recycling Program, 339 North Road, Caulfield South, Melbourne, VIC, 3162, Australia.
